

Crossroad: What is marriage?

John Martignoni

Our country is at yet another cultural crossroad. There's a sign post up ahead-- "What is marriage?" The radical minority position is, "Marriage is what we say it is. The traditional position is: "Marriage is a union between a man and a woman."

Why has the Catholic church upheld the woman and man definition of marriage for almost two thousand years? Why is this battle in America's Culture War **pivotal**?

If you listen to KIHM Catholic Radio here in Reno, you know our guest breakfast club speaker, John Martignoni. His impassioned, biblically based, powerful apologetic messages have been on global Catholic radio for years.

Join John for breakfast and listen to him lay out our understanding of God's law and Natural Law, and how this understanding derives from the Bible, the living Tradition of the Church, the Catechism, and from common sense.

John will also describe the **sacrament** that Christ created **for** married couples.
